Contesting a Parking Ticket:

You have 5 days from receiving the ticket to request a trial before a judge in District Court. A form must be completed and can be obtained at either the police station on Burhans Blvd or at the Arts & Entertainment parking deck at 25 Renaissance Way. The form is also available on our website.

Flagged Registration

Failing to pay a parking ticket within 60 days will result in your vehicle registration being flagged to MVA. The flag must be removed by paying all outstanding parking tickets, including administrative fees to MVA, before the vehicle registration can be renewed. Form VR-119 must be obtained from the City to give to MVA once a registration has been flagged.

Subject to Ticket

Handicap Parking

Do not park in handicap designated spaces unless you or your passenger are disabled and a valid disabled placard is properly displayed. All metered street spaces are ADA compliant and designated handicap spaces are available in all the decks and lots.

The disabled person is required to carry their MVA issued card at all times.

Having a handicap tag DOES NOT exempt you from paying a parking meter.

Expired Meter

Feeding meters is illegal. Once the time limit has expired, the car must be moved from the area, not just to another space.

Scoff List

Three unpaid parking tickets aged over 30 days can result in a boot (a wheel locking device) being attached to the vehicle. All outstanding fines plus a \$100 boot fee must be paid to remove the boot. If not paid within 48 hours, the vehicle will be towed. This will result in additional towing and storage fees.

If a boot has been placed on your vehicle, you must pay at City Hall at 1 E. Franklin St. in order to have the boot removed.

After-hours or on weekends, payment can be made at the police station on Burhans Blvd.
