EQUIPMENT LIST, HEAT & A/C, CONTROL PANELS, AND LOW VOLTAGE LISTED ON BACK OF FORM

If in the opinion of the Electrical Inspector, drawings and specifications are required for this application, I shall furnish such documents.

It is the responsibility of the license holder to give 24 hour advance notice to the Planning and Code Administration Department when work is ready for testing and inspections. Failure to schedule valid inspections for any period of six months following the issuance of this permit will be cause for the permit to become void.

I acknowledge that I have read this application and affirm that the information supplied by myself is correct; and that the owner/tenant of the referenced property has authorized me to do the work described herein. I agree to comply with all City Ordinances and State Laws regulating electrical work.

I certify that I am properly registered and licensed Master Electrician.
