BUSINESS RESOURCES

Below is information on establishing your business within the State of Maryland.

Business Registration:

All vendors must register with the Maryland Department of Assessments and Taxation. This can be done via the Maryland Business Express Portal: <https://businessexpress.maryland.gov/>; 888-963-3468.

Business owners may register their business by visiting <https://businessexpress.maryland.gov/>. From there, they can highlight “**START A BUSINESS IN MARYLAND**”, and click on the “**Register your business in Maryland**” to begin the process of registering as a Sole Proprietorship, General Partnership, Corporation, etc. Once on the next page, select “**REGISTER YOUR BUSINESS NOW**” to create an account and register a new business or trade name.

Once an account is created, businesses may select the Maryland business type they would like to register as (**Sole Proprietorship, General Partnership, Maryland Limited Liability Company, etc.**) along with further information on each type. Business owners are encouraged to read and understand each business type before finalizing their registration.

All filings through the Express website will be processed by the Maryland Department of Assessments and Taxation within seven business days. After completing the online registration process you will receive all the necessary licenses and account numbers for your business.

Registering your business with Maryland’s Department of Assessments and Taxation helps to issue you an “SDAT identification number” which will begin with a letter (“D”, “F”, “W”, “L”, “T” or “Z”). This number serves as Maryland’s unique identifier for your business. *Importantly, this is not the FEIN number issued by the IRS and required by financial institutions to open an account.*

The number that you receive upon registration must be listed on your application. Numbers for a sole proprietor will begin with L; numbers for LLCs will begin with W or Z; numbers for corporations will begin with D.

Numbers beginning with T are trade name registrations, which are different than business registrations. If you want to register a trade name, that form is also available on the ‘FORMS’ page. The cost is \$25 and is valid for 5 years.

Maryland State Sales Tax:

All businesses, regardless of whether incorporated or operating as a sole proprietor, are required have a Maryland Sales & Use tax account and may be required to collect Maryland state sales tax. The only exception is agricultural products sold by farmers, which are exempt from sales tax.

To apply for a Sales and Use tax account, visit the Maryland Comptroller’s Office, www.marylandtaxes.gov, click on the **SEARCH** field, and type **Maryland Combined Registration Online Application**; or phone 410-260-7980 or 800-638-2937.

Your Sales and Use Tax license must be displayed at your booth.

Trader's License:

Some businesses may need to obtain a Trader's License from the Washington County Circuit Court. Please call 301-733-8660 or visit 24 Summit Avenue, Hagerstown, MD, to get more information about what is required for your particular business.

If you are required to have a Trader's License, it must be displayed at your market stall. Trader's Licenses must be renewed annually.

All vendors selling food items shall comply with all applicable Health Department Regulations. Contact the Health Department directly to find out which permits you may need.
