

**BID NO. B1788.23  
ADDENDUM NO. I  
CITY OF HAGERSTOWN  
HAGERSTOWN, MARYLAND  
Rehabilitation Project Phase 1B**

**Date: Wednesday, May 24, 2023**

**Bids Due: Wednesday, May 31, 2023 at 2:00 PM**

To Bidders:

This Addendum is hereby made a part of the Contract Documents on which all bids will be based and is issued to clarify the original documents.

Please acknowledge receipt of this Addendum at the appropriate space on the bid form by inserting its number and date. This Addendum consists of two (2) pages. This Addendum forms a part of the contract Documents as it supplements and/or modifies as follows:

**ADDENDUM I – QUESTIONS AND ANSWERS**

**Bid No. B1788.23 Rehabilitation Project Phase 1B**

The attention to bidders submitting proposals for the above project is called to the following addendum that contains responses to all questions submitted by the prospective bidders. The items set forth herein, whether of omission, addition, substitution or clarifications are all to be included in and form part of the proposal submitted. This addendum shall take precedence or provide clarification.

All questions are sorted numerically as received from bidders and the response provided follows directly after each question submitted.

The above referenced Addendum follows.

**QUESTIONS AND ANSWERS:**

Q1. Do you have the location of the laterals, and possibly more detailed maps that would provide at least main sizes and segmentation?

A1. No.

Q2. Is there any approved material for the lateral lining, and if there is can the LMK T-Liiner be added to it, if it is not already?

A2. Please refer to the requirements in the Bid Document

Q3. Is there any testing involved with the laterals?

A3. Please refer to the requirements in the Bid Document

Q4. Is there a substantial completion date for this project?

A4. October 31, 2023

**CLARIFICATIONS:**

Dumping of debris: City will provide a site for temporary unping of debris. Contractor is responsible for all aspects of debris disposal. Contractor also responsible to prevent possible run-off from debris.

Pre-CCTV available? Password to Dropbox file will be sent to prospective bidders.

Disposal Site: Contractor responsible for securing a disposal site.
