

Join Zoom meeting on iPhone or iPad

Step 1: Download Zoom Cloud Meetings app from the App Store (If Zoom is already downloaded, skip to Step 2).

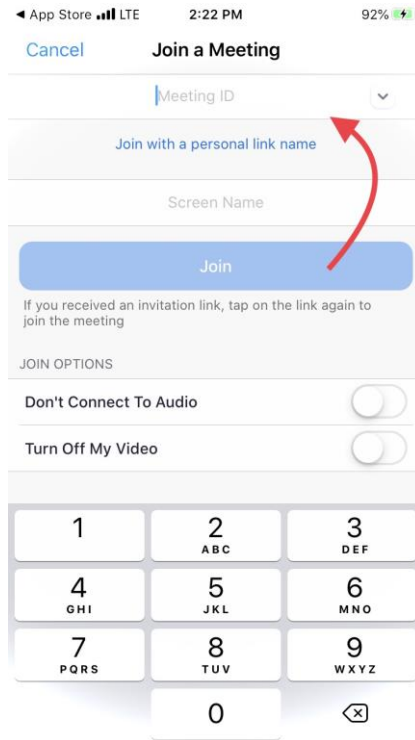

Step 2: Open Zoom app

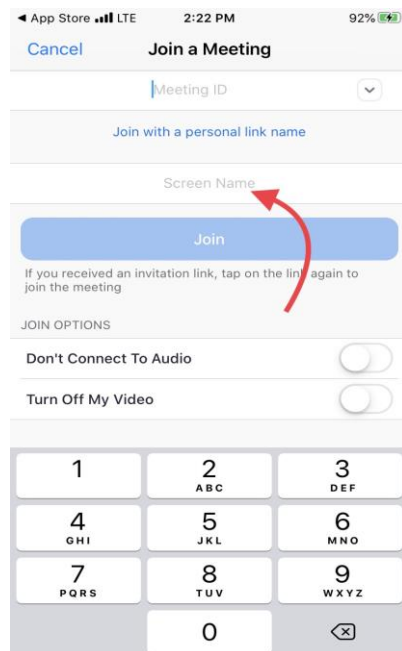

Step 3: Tap Join a Meeting

Step 4: Enter Meeting ID number (On Agenda)

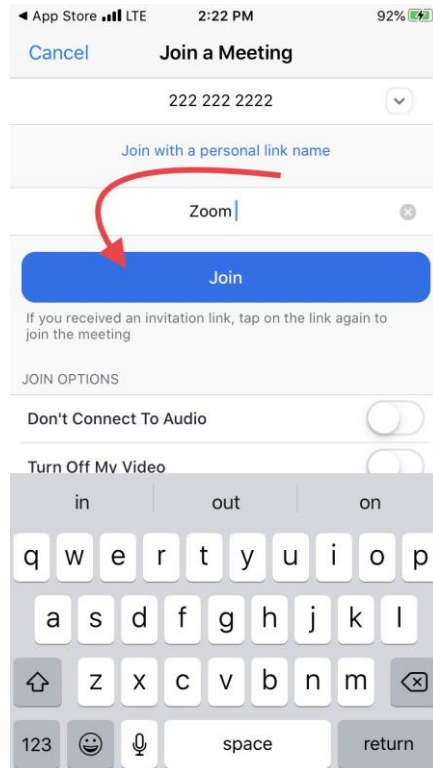

Step 5: Type your name that will be displayed to all participants

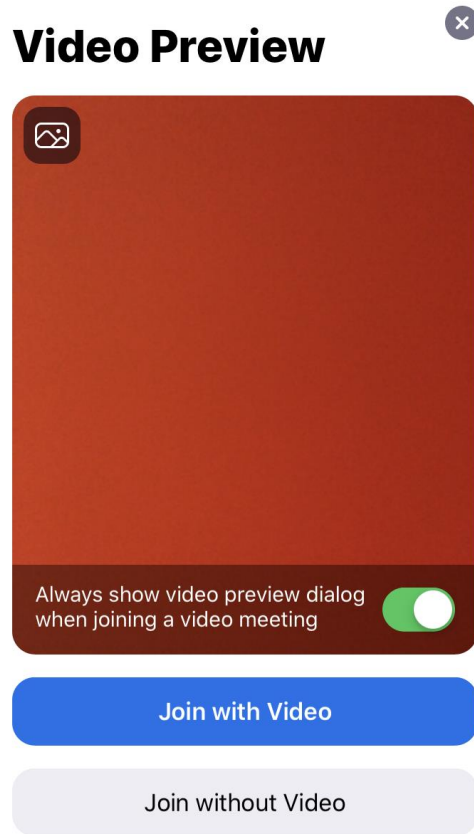

Step 6: Select if you would like to turn off the audio

Step 7: Select if you would like to turn off the video

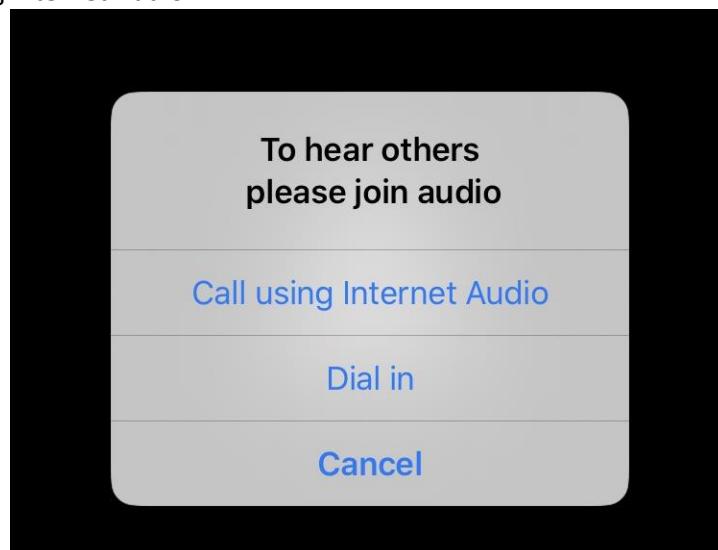

Step 8: Tap Join

Step 9: Tap Join with Video if you want to use video; Tap Join without Video if you want to use audio.

Step 10: Tap Call using Internet Audio

*Note – When in a meeting, there are three views. The default screen is the main meeting screen. If you “swipe right” on the meeting screen, you will enter Safe Driving Mode. In this mode, your microphone and video will automatically be stopped and muted. To speak, tap the “Tap to speak” icon. To get back to the meeting screen, “swipe left” on the screen. To view all members of the meeting, “swipe left” from the meeting screen and “swipe right” to go back to the meeting screen.

Step 11: Tap Leave Meeting to leave meeting and end the call
